

EXCEPTIONAL FINISHES TO COMPLIMENT ANY ENVIRONMENT

Our wood doors feature hand wiped stains which allow the full beauty and character of the wood to show through.

And with nearly 50 standard combinations to choose from, you can give your locker room a truly unique look and feel.

Of course, custom finishes are available to match existing surroundings.

Note: The stain colors and wood species depicted on this sheet are only intended to generally represent the selection of finishes available. The subtle beauty of hand-applied finishes on choice wood grains is impossible to reproduce accurately on a printed sheet. For your final color selection, Legacy Lockers will gladly provide actual wood samples.
